Pre-registration begins February 27th
Classes begin March 6th

Orientation for all Distance Education (Internet-based) classes will be on March 6th. Students must choose one time: Seated orientation is March 6th at 5:30 pm in Building 19, Room 113; or students may complete an online orientation at 8 am on March 6th.

Call 652-6021 for more information

Currently In Demand

There are several jobs currently available in the welding field at various industries in McDowell County. Welders are frequently in demand throughout the region and pay is above average. Now is a good time to begin a career in this field. Register today for our eight-week Saturday class in basic welding.
