McDowell Technical Community College operates under the open door admissions policy. Any student who meets admission requirements of the College, as defined in the College Catalog, may apply for and be accepted by the College upon completion of the application. Admission to the College does not guarantee admission to a specific program. MTCC complies with applicable Federal and State laws prohibiting discrimination on the basis of race, sex, religion, age, ethnic origin, marital status, association or handicap.

Students may enroll on a provisional basis until all admission requirements are met, such as placement testing and the receipt of transcripts. However, all admission requirements should be met before a student begins a second semester of enrollment.
